29150-8029 (District 6) for a Class C Taxi)	CERTIFICATE
Certificate of Public Convenience and)	
Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by John F. Wilder (“Applicant” or “Wilder”) to reinstate Class C Certificate of Public Convenience and Necessity No. 7328. Certificate No. 7328 was issued to the Applicant pursuant to Commission Order No. 2002-832, dated December 11, 2002, which granted Nance authority to render motor passenger service. This Certificate was later revoked after a hearing by Order No. 2010-351¹ for failure to pay decal fees as required by S.C. Code Ann. § 58-23-560.

The Applicant now seeks to have Certificate No. 7328 reinstated. The original Application filed by Wilder, which the Commission approved by Order No. 2002-832, provides documentation regarding the Applicant’s stated knowledge of and commitment to abide by all relevant statutes and Commission regulations. Accordingly, we find and conclude that the previously cancelled Certificate should be reinstated. However this reinstatement is conditioned on compliance with all applicable statutes and regulations,

and that prior to such compliance, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

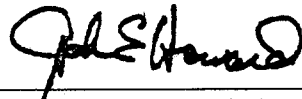

1. That Class C Certificate of Public Convenience and Necessity No. 7328 of John F. Wilder be, and hereby is, reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, the motor carrier services authorized by the Certificate shall not be provided.

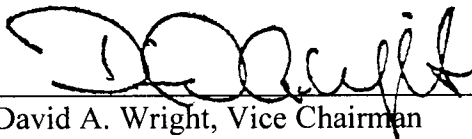

4. That this Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:
